2026 · CONTRACT-GRADE ARTISAN DÉCOR

Handcrafted in Antalya, Türkiye – for premier hotels, resorts & distinctive spaces

Every piece leaves our Antalya atelier knotted entirely by hand.

Dimare Design creates bespoke macramé, handwoven textiles and bohemian furniture for hospitality projects worldwide. Made by hand, never imported – each model in this catalogue is produced to order in your dimensions, colours and quantities.

How pricing works

Everything is made to order, so pricing follows your project – dimensions, materials and quantity. Reference: our signature Macramé Palm Tree starts at **\$850** (1.5 m).

- Per-piece or per-m² quotes prepared within 24-48 hours for any model code.
- Volume tiers for multi-piece and full-property orders.
- All prices ex-works Antalya, excluding VAT – export documentation handled by our team.
- Materials, sizing ranges and lead times are noted at the top of every section – typically 3-8 weeks depending on scope; worldwide crated shipping.
- Every model available in 100+ thread colours – see the colour library at the back.
